NEW COLLECTION

25 YEARS OF PRODUCTION EXPERIENCE

SABRINO manufactures modern style sofa sets in its 6.000 sgm production area by using today's high-tech machineries in production facilities and continues to expand its product range by following the European Norms strictly.

By renewing and improving its production facilities, SABRINO choses its raw materials with great care not to give any harm to human health and environment. Along with the wide product range and price options, SABRINO also follows special decoration projects in Turkey and in abroad. As a result, with its strong and expanding structure, SABRINO will continue to offer economic, fast and reliable solutions for you.
